**Volume 10, Number 12**

Dear Parishioners,

Hearing the voice of God speak to us, although difficult at times, is truly essential to our growth in the life of faith. Several different paths in assisting people in their life of prayer are currently being implemented within our parish. Both existing prayer groups and couples preparing for marriage will be invited to grow in their life of faith by seeking greater intimacy with God. Calvin Mueller, the Rural Coordinator of the Office of Evangelization and Catechesis, has met with me on a few different occasions to work on ways to implement this need. I am grateful to Calvin and to all the members of the OEC for their efforts to assist us as we try to embrace the pastoral vision.

As we move forward, it is my hope that those who are experiencing greater intimacy with God in prayer will share it with the important people in their lives.

In Christ,

Rev. Patrick A. McLaughlin

“The time you spend with Jesus in the Blessed Sacrament is the best time you will spend on earth. Each moment that you spend with Jesus will deepen your union with Him and make your soul everlastingly more glorious and beautiful in Heaven and will help bring about everlasting peace on earth,” - Saint Teresa of Calcutta
