## *The Tau*

**January 2019**

**Volume 11, Number 5**

Dear Parishioners,

The New Year provides us an opportunity for new beginnings. One of the invitations we have received from our St. Francis PEACE Corp is to break up our huddles. Most of us are in certain social circles, which are wonderful sources of friendship and support. However, as we strive to realize that we are One Church and to live this out in our daily lives, we have the opportunity to widen our social circles.

As part of our New Year's resolution, perhaps we can make an effort to welcome and/or introduce ourselves to people with whom we are not familiar at Mass. Going up to a visitor or making a formal introduction of oneself to a person you see at Mass can help widen our social groups. In addition, making an invitation to another person or to another couple/family to one of our social gatherings can help us truly realize how special each member of our community is and how we really are One Church.

In Christ,

A handwritten signature in cursive script that reads "Fr. Pat".

Rev. Patrick A. McLaughlin

May God be with you through the New Year  
and fill your life with comfort and love.  
May this day and the days ahead  
hold many blessings for you and your family.
