

January 26, 2024

Your Excellency,

Thank you again for your timeline extension as we navigate the name and mascot process. After having submitted our selected names to you and gathering additional input from the community, we are now ready to present our name and mascot submissions in alphabetical order:

Archangels Catholic High School Defenders

Divine Mercy Central Catholic Defenders

Holy Family St. Francis Central Catholic Flyers

The Defenders mascot represents a person or spiritual being who shields and protects. It is our hope that in educating and graduating students from this school, they will not only be able to defend their faith but also use their faith to shield and protect their hearts and souls from the evils of the world.

The Flyers mascot is a symbol of bravery adapted from the Franciscan Friars who founded both Humphrey St. Francis and Lindsay Holy Family parishes. It serves as the current Humphrey St. Francis mascot and carries forth history and tradition from the school.

As you consider our mascot submissions, please let us know if you have any further questions or would like to review the input we received from our communities.

Respectfully,

The Transition Team
